SUMMARY

Economics & Management student at the Czech University of Life Sciences Prague (ČZU) with 15 months of experience as a Data Analyst at a Prague hotel group, where I built Power BI dashboards and Excel reporting for the sales team. Confident with SQL (T-SQL / SQL Server), Power BI, Excel and Python, with a solid base in statistics and economics. Open to internship, junior and middle data analyst roles.

EXPERIENCE

Data Analyst — Czech Inn Hotels

May 2025 – Aug 2026

Hotel group, Prague (hoteltowers.cz) · Power BI and Excel reporting for the sales team

- Developed and extended Power BI dashboards: connected data sources, created new and reworked existing visuals for hotel occupancy analysis — bookings, cancellations, month-over-month and property-by-property comparison of key metrics.
- Prepared Excel reporting: collected data, built pivot tables and charts, validated the data and tracked down errors.
- Designed Power BI visuals for revenue monitoring: comparison of room rates and total revenue across periods, with indicators flagging anomalies and sharp changes for the senior analyst.
